

**The Old NYSE Project**  
**Note of updates and corrections**  
September 4, 2021

1. Price data were collected from Commercial and Financial Chronicle (CFC) [hathitrust.org](http://hathitrust.org) during the summer of 2021 to fill gaps (months without any prices). The table below reports new observations of prices collected (after corrections) and the cumulative sum for each month.

Month	Prices collected	Cumulative sum
1866-01	47	47
1866-02	47	94
1867-01	38	132
1867-02	38	170
1867-03	43	213
1867-04	31	244
1867-05	31	275
1867-06	55	330
1867-07	54	384
1867-08	54	438
1867-09	51	489
1867-10	31	520
1867-11	31	551
1867-12	33	584
1893-12	47	631
1897-12	40	671
1906-08	86	757
1913-12	56	813
1914-12	47	860
1918-12	65	925
1923-06	15	940

2. Corrections

Four corrections were made. Details are as follows. The format of each note is: #Column in the price matrix, month for possible data errors, price in that month, the latest observed price before and the month of that price if not immediately before, the first observed price after (not necessarily in the month after) and the month of that price if not immediately after, company info, corrections/changes.

#26, 1844 April, 619, before 113, after 113, Auburn & Syracuse R.R., change to 119

#181, 1849 August, 127, before 9.75, after 9.00, Illinois State Bank, change to 9.7

#223, 1914 December, 0.90, before 155 (1864 March), after NA, Marine Bank, cannot find information on CFC, change to NA

#569, 1918 December, 98.50, before 4.50, after 3.50, Iowa Cen, C, change to 3.50
