Leadership Giving

The Yale School of Management is grateful to the following individuals, corporations, and foundations for providing leadership gifts to the school. This list recognizes those who made gifts, pledges, and pledge payments of $10,000 or more to Yale SOM between July 1, 2020, and June 30, 2021.
Yale SOM alumni gave a record-breaking total of $5.2 million to the Yale SOM Alumni Fund in the 2020–21 fiscal year. Generous giving to the fund, which directly supports Yale SOM’s strategic priorities, allowed the school to adapt to the pandemic, continue to design and implement curricular innovations, and expand scholarship support for students while also balancing its annual budget. Overall, gifts and commitments from Yale SOM’s alumni and friends totaled $45.8 million.

The dollar total given to the Alumni Fund surpassed $5 million for the first time, breaking the previous record of $4.4 million, set in 2018–19.

Despite the constraints imposed by the pandemic, including a pause on outreach to the Class of 2020, 46.9% of alumni participated in the Alumni Fund, the highest percentage for any Yale school, including Yale College. More than 130 alumni joined the Dean’s Society by donating $1,000 or more to Yale SOM for the first time.

The list recognizes all donor gifts, single and multi-year pledges, and pledge payments made to the Alumni Fund between July 1, 2020, and June 30, 2021, and includes participation percentages by class.
