

# Leveraging Library Resources in Your Job Search

Yale School of Management Alumni Career Development Webinar

*With Cindy Cornell (SOM Career Development Office) and Erin Wachowicz (Yale Library)*

---

## Featured Resources Available to Yale Alumni

- GoinGlobal
- Mergent Intellect
- Mergent Online

Access these resources on the [Career Resources](#) page in the SOM Alumni Portal.

### About GoinGlobal

GoinGlobal helps new and experienced job seekers find opportunities both at home and abroad. Features location-based career guides, job postings, and a searchable H1B visa application database

*Find this in the International Resources section.*

#### Notable Features:

- Location-based lists of executive recruiters and search firms
- Lists of top companies and industry trends cities
- Local professional associations
- Information about cost of living – including housing expenses, taxes, and average wages

### About Mergent Intellect

Directory of global business information that features access to private and public U.S and international business data, executive contact information, and industry research. Data is provided from D&B Hoovers.

*Find this in the General Career Support section.*

#### Notable Features:

- Basic Search function for finding company profiles
- Advanced Search function for creating lists of companies by industry and geography
- First Research Industry Profiles that include trends, benchmark data, and call prep questions

### About Mergent Online

Provides information on U.S. and international companies. Includes current and historical financial statement data, annual reports, company histories, subsidiaries, joint ventures and more.

*Find this in the General Career Support section.*

#### Notable Features:

- In-depth company profiles
- Supply chain information
- Analyst or broker research

## Leverage your local public library

Many cities have public libraries have dedicated business services that are available to their local communities. Some notable examples with business resources are:

- NYPL – [Yoseloff Business Center at the Stavros Niarchos Foundation Library](#) (455 Fifth Ave, 5<sup>th</sup> floor). [Browse their list of business databases here.](#)
- Brooklyn Public Library – [Business & Career Center at the Central Library](#)
- Darien Public Library – Services for Business- <https://www.darienlibrary.org/business>
- Greenwich Library – [Business Resources](#)
- Los Angeles Public Library’s [Business and Economics department](#)
- Free Library of Philadelphia’s [Business Resource and Innovation Center](#)
- San Francisco Public Library’s [Business, Science and Technology Center](#)
- Boston Public Library’s [Kirstein Business Library & Innovation Center \(KBLIC\)](#)
- Carnegie Library of Pittsburgh’s [Downtown and Business Library](#)

## For-fee Business Research Services

- [Bates Information Services](#)
- [Bizologie](#)
- [The Librarian Advantage](#)
