Post a Job

Sharing a job description with the Yale School of Management students and alumni is easy as 1, 2, 3!

Posting is free, easy, and the first step in building a recruiting brand with the Yale SOM community.

① Create a free employer account in 12Twenty, our career management system, by visiting som-yale.12twenty.com/hire

② Click 'Post a Job' and add all of the details, including job description, location, application instructions and deadline, work authorization requirements, and job contact.

③ After submitting your role, visit som.yale.edu/recruiting to access Recruiting Strategies and Policies, the CDO Newsletter and more.

Beyond the Job Posting

Identify Yale SOM students who match your hiring needs by using the resume books in 12Twenty.

- Filter by degree, experience, desired industry/function, work authorization and more.
- Reach out directly to invite any students of interest to connect/apply.

Explore upcoming networking events or register to host your own.

- Access the 'Events' tab in 12Twenty to review upcoming multi-employer opportunities to connect with students.
- Click '+ Host an Event' to submit a Coffee Chat or Employer Event request.
- Connect with your Employer Partnerships Manager to strategize on the best approach to connecting with your target audience.
