ACADEMIC HISTORY

Sheila and Ron '92 B.A. Marcelo Lecturer in Social Entrepreneurship, Yale School of Management July 2018 –

- Teaching MGT 612 Introduction to Social Entrepreneurship; MGT 631 Innovation and Entrepreneurship in Public Health
- Mentoring students working on social ventures in MGT 646 Start-up Founder's Practicum
- Conducting research and case writing on social innovation and public private partnerships in collaboration with Yale School of Public Health, Yale School of Medicine, and CT government
- Serving on Steering Committee for new Sustainable Health Initiative
- Serving as faculty advisor for new student group Innovation and Entrepreneurship in Modern Healthcare

Instructor, Harvard T.H. Chan School of Public Health

Aug 2013 – June 2018

- Founding Instructor of ID511 Social Entrepreneurship
- Founding Co-instructor of HPM557 Innovation and Entrepreneurship in Healthcare
- Instructor in new MPH program: Sustainability, Health, and the Global Environment
- Instructor in new DrPH program: Independent Study, Harvard iLab Venture Incubation Program
- Delta Committee Member for DrPH students
- Admissions Committee Member for DrPH students

Research Associate, Harvard T.H. Chan School of Public Health

Aug 2013 – June 2018

- Introduced social entrepreneurship into public health curriculum by launching new interdisciplinary course
- Published first social entrepreneurship textbook "Introduction to Social Entrepreneurship" bit.ly/introsocent
- Created hybrid online course on social entrepreneurship at Harvard Extension School for professionals
- Launched and led new social entrepreneurship program at Center for Health and Global Environment (CHGE) including teaching, research, incubator, and knowledge exchange components
- Participated in Sustainable Health and Technologies Program at CHGE, creating innovation ecosystems in emerging markets

Research Fellow, Harvard School of Public Health

Oct 2010 – Jul 2013

- Designed online content for edX course: Global Environmental Changes and Human Health
- Developed and co-instructed new winter session course: Practice of Sustainable Development
- Served as thesis director for Sustainability and Environmental Management master's program
- Conducted research on Gulf Sustainable Urbanism project with Harvard Graduate School of Design

Honorary Fellow, Massachusetts Institute of Technology

Sept 2010 – May 2011

- Worked with Legatum Center for Entrepreneurship and Development to design and launch innovative ventures that adhere to principles of social good in resource-constrained areas
- Served as reviewer for MIT IDEAS Global Challenge competition

Teaching Fellow, Harvard University

Mar 2009- May 2011

Harvard School of Public Health, Department of Health Policy and Management Courses:

- Leadership for Public Health Impact
- Negotiation and Conflict Resolution
- Advanced Skills and Methods of Mediation

Harvard School of Public Health, Department of Environmental Health Courses:

- Environmental and Occupational Epidemiology
- Introduction to Environmental Health
- Principles of Environmental Health

Harvard Extension School, Sustainability and Environmental Management Courses:

- Investing in a Sustainable Future
- Practice of Sustainable Development

Research Assistant, American University of Beirut

Sept 2004 – Jul 2005

- Conducted reproductive epidemiology study investigating social and health inequities in reproductive health exposures and outcomes with a focus on economic and demographic factors, genetics and behavioral factors

PROFESSIONAL HISTORY

Social Entrepreneurship Advisor, strategy&

Feb 2019 – present

- Serving as a subject matter expert on social entrepreneurship for the Arab region as part of the “Monsha'at- KSA's Social Entrepreneurship Strategy” project.

Innovation Advisor, Alfanar venture philanthropy

Sept 2016 – present

- Create a learning environment for Alfanar board, core team, and investees by disseminating internally generated knowledge within and across teams; and bringing in external knowledge to inform our work
- Facilitate retreats and workshops for Alfanar team and investee organization teams; Design and lead annual study mission to exchange experience with peer social enterprise organizations worldwide
- Created and launched #BeTheBeacon to change perceptions and increase participation in social innovation and investment; Created new online and printed content to communicate impact; Launched new multimedia newsletter and podcast; Launched new documentary film on the first refugee food truck
- Catalyzed new external partnership with Kiva.org
- Built new research and thought leadership program

Director, Alfanar Lebanon

Mar 2012 – Aug 2016

- Launched Alfanar venture philanthropy in Lebanon, providing tailored financing and critical management support to grassroots organizations serving marginalized populations
- Built and managed board of trustees and network of philanthropists to support investments in Lebanon
- Designed investment strategy, scoped new investments, built portfolio
- Created curriculum of non-financial support on social impact, organizational strengthening, business model management and growth

Consultant, Ecoentra

Jan 2014-Mar 2014

- Collaborated with stakeholders in Jordan and Lebanon to develop research framework assessing water and sanitation needs for Syrian refugees
- Conducted field research in Lebanon composed of interviews and focus groups with Syrian refugees, Lebanese government officials, and the international donor community

Director of Strategy and Planning, Systems Reform Group S.A.L. Aug 2011 – Mar 2013

- Launched advisory network of local, regional, and global experts to inform strategy, policymaking and implementation of health and education systems strengthening in Arab and Asian countries
- Provided advisory and training services for governments, universities, businesses, and civic organizations

Consultant, Kid Risk Inc. Jan 2011 – May 2011

- Conducted research project interfacing with Fortune 1000 companies to characterize role of private sector in children's health via corporate mission, corporate communications, and corporate social responsibility

Consultant, Environmental Health and Engineering, Inc. Oct 2010 – Dec 2011

- Synthesized and communicated recent development in scientific knowledge for corporate, industrial, and community clients; advised clients on decision-making and strategy given currently available data
- Formulated policy forecasts and recommendations, working with experts from Harvard Kennedy School, Harvard School of Public Health, and Harvard Extension School

Research Contractor, U.S. Environmental Protection Agency (USEPA) Sept 2007 – Sept 2010

- Built the science behind C-FERST, a web-based tool to assist communities and individuals in characterizing and prioritizing their environmental exposures, related health risks, and potential solutions
- Facilitated exchange of information between community partnerships and scientists via focus groups, surveys, annual conference, and research papers.

Youth Program Coordinator, United Nations Population Fund (UNFPA) Jul 2003 – May 2005

- Implemented community-based reproductive health project involving training of service providers at the Ministry of Social Affairs in Lebanon
- Mobilized non-governmental organizations, international organizations, government, private sector, service providers, and educators to collaborate in working on reproductive and youth sexual health communication
- Executed large-scale awareness campaigns on youth sexual health in Beirut, Bekaa Valley, South Lebanon

EDUCATION

ScD, Harvard School of Public Health May 2010

Dissertation: Modeling Variability in Environmental Exposures and Health Risks for Community-based Risk Assessment

Certificate: Interdisciplinary Concentration in Women, Gender, and Health

MSc, University College London Sept 2002

Department of Obstetrics and Gynecology; Prenatal Genetics and Fetal Medicine Program

Thesis: Genetic Epidemiology of Behavioral Disorders in Children, awarded with distinction

BS, American University of Beirut Jun 2000

Department of Biology

LANGUAGES

English: Fluent | **Arabic:** Fluent | **French:** Advanced | **Spanish:** Advanced/ Intermediate Conversational

AWARDS

Emerging Leader in Public Health, Harvard T.H. Chan School of Public Health Alumni Association (2017)
Elisabeth B. Weintz Humanitarian Award, Harvard Humanitarian Initiative faculty fellowship grant (2016)
Transforming Learning Spaces: Harvard T.H. Chan School of Public Health teaching and learning grant (2016)
