

Number of Antitrust Investigators Employed by State Attorney General Offices: 2020

NOTES

1. This survey was conducted between February and April 2020 via mail, email, and phone calls. State Attorney General offices were asked to respond to the following question: "How many full-time antitrust focused attorneys do you have on staff?"
2. Delaware, Michigan, Missouri, New Jersey, New Mexico, Oklahoma did not respond to this survey.
3. Nebraska refused to participate.
4. Colorado's AG office expressed that its office was not quite organized along the lines in which our question was framed.
